To whom it may concern,

I am in full support of changes in the MSHDA tax credit plan that includes the following language:

1. Thirty percent of the annual tax credit authority be set-aside to develop housing for the homeless and/or special needs population, and
2. That 10% of the units in all developments be targeted to incomes at or below 30% area median income (AMI) for those who are homeless and/or have special needs.
